In support of his third studio LP *White Noise*, released through Cooking Vinyl America, Seattle's NOAH GUNDERSEN will be embarking on a full headlining tour across the US in 2018.

Kicking off in Bellingham, WA's Wild Buffalo on January 18th, the tour will be making stops in cities like Chicago, Cleveland, and New York. **Full tour dates listed below, and tickets can be purchased here:** <http://noahgundersenmusic.com/#shows>

Since its debut, *White Noise* has opened a chapter in Gundersen's life as a musician that has allowed him to break out of his days as a folk singer, and into a cross-genre artist with no boundaries. PopMatters highlighted that, "*On White Noise, Gundersen fully transitions from a pensive folk singer to a layered rock star,*" while Seattle Times called *White Noise* "*one of the best albums of 2017.*"

Fans can stream and order *White Noise* here: <https://ng.lnk.to/WN>

Noah Gundersen is on tour now and is available for interviews/sessions upon request. *White Noise* is out now on Spotify, Apple Music, and more.
